

# Trees from the Woodland Trust

WOODLAND  
TRUST

**Whatever you want to plant, whether it's a whole wood or just one tree in your garden, we can help.**

Every sapling that we provide is UK sourced and grown to minimise the risk of importing and spreading tree pests and diseases.

Seeds are collected and stored in the UK, and they are all coded and batched so that we can track each individual tree.\*

**WOODLAND  
TRUST**

\*Trees supplied in Northern Ireland will be sourced and grown within the UK and Ireland.

WTML/Jill Jennings

## Contents

### **Large scale planting for farmers, landowners and managers**

If you're looking to plant more than 500 trees on your farm or private land, we have trees, advice and funding schemes to help. We can also offer you tailored advice and dedicated project officers.

4

### **Buy landowner tree packs**

Want to plant trees on your farm or private land straight away? We have a huge selection of tree packs to suit your needs.

8

### **Buy small tree packs and single trees**

From a single sapling in your garden to packs of up to 30 trees to create a hedge or copse, we can deliver straight away.

12

### **Free tree packs for schools and community groups**

Apply for free trees to plant in your community or school. It's easy, fun and a great way to green up your neighbourhood.

18

### **Want to chat?**

Get in touch with our woodland creation team for help and advice with your planting project. Pick up the phone, or ask us a question using our online enquiry form and we'll help you choose your tree pack or share our expert advice.

# Apply LARGE SCALE PLANTING

If you're looking to plant a large number of trees on your farm or private land, there are several ways we can help.

We can offer you:

- tailored advice
- funding
- trees and protection

WTML/Jonny Rudge

## MOREWOODS

Think big with MOREwoods. Whether you want to plant a shelterbelt or harvest your own woodfuel, we'll provide tailored advice on what to plant and:

- help you design your woodland and select the most appropriate species mix
- assign a dedicated project officer who'll help guide your application from start to finish
- arrange delivery of your trees and tree protection to suit you

If you plant the trees yourself, 75% of the costs will be funded for you. If you would like a contractor to plant the trees and provide a weeding service for the first two years, 60% of the costs will be funded.

The contract option is available in England & Wales to anyone planting over one hectare. Our no obligation advice and support is available even if you then decide not to plant.

**Trees:** minimum 500

**Species:** our advisors will help you choose the best species for your land

**Size of land:** more than 0.5 hectares (1.25 acres)

**Protection:** we will help you choose the correct protection for your trees

**Advisor:** yes – one to one advice

**Cost:** If you plant yourself, 75% of the costs will be funded for you.

If you decide to plant using a contractor, 60% of costs will be funded.

MOREwoods is generously funded by:

Sainsbury's

### MOREwoods for crofts

We can also support planting trees on crofts and common grazings in Scotland. There are a number of ways that we can help including support with forestry proposals and funding for trees and protection.

Apply for our MOREwoods funding  
online at  
[woodlandtrust.org.uk/morewoods](http://woodlandtrust.org.uk/morewoods)

WTML/Rebecca Good

Apply for our MOREhedges funding online at [woodlandtrust.org.uk/morewoods](http://woodlandtrust.org.uk/morewoods)

## MOREHEDGES

*Hedge your bets. We can help with funding if you're planting new or existing hedgerows on your land. Up to 75% of the cost can be subsidised if you plant more than 100 metres of new hedging with a large tree growing through every six metres. Other eligibility criteria apply so if you think this might be for you get in touch [woodlandtrust.org.uk/enquiry](http://woodlandtrust.org.uk/enquiry)*

We'll provide advice and chat about your plans.

**Species:** a standard hedgerow mix of blackthorn, crab apple, dogwood, dog rose, elder, field maple, hawthorn, plus your choice of tree species for full height trees

**Size of land:** 100 metres+ of hedge

**Protection:** spirals, canes, tubes and stakes

**Advisor:** yes – one to one advice

**Cost:** up to 75% of the cost of trees, protection and delivery will be funded for you

## TREES FOR YOUR FARM

*Make agroforestry a part of your farm. Improve soil and water quality, give shade and shelter to livestock and reap the benefits of a year round crop. If you are eligible for our support, we can offer:*

- free advice and support for farmers
- a tree planting assessment for your whole farm
- tailored planting schemes
- advice about how trees can work for your farm business

Funded by AccorHotels and delivered through the PUR project for suitable sites.

**Trees:** minimum 500

**Species:** our advisors will help you choose the best species for your land

**Protection:** we will help you choose the correct protection for your trees

**Advisor:** yes – site visit, one to one advice

**Cost:** Trees and guards fully funded if eligible (excludes labour and fencing)

## Don't own the land yet?

Don't worry. We can work with you, alongside chartered surveyors John Clegg and Co, to help you search for the right piece of land over 25 hectares. We'll also produce a bespoke planting plan to help you create your own designer woodland.

# Buy LANDOWNER TREE PACKS

Order your tree pack today at [shop.woodlandtrust.org.uk/landowner-packs](https://shop.woodlandtrust.org.uk/landowner-packs)

Trees really make a difference to your land. Whether you want to attract pollinators, shelter crops and livestock, help wildlife or make your landscape more resilient to tree disease, we've got a suitable tree pack for you.

Our subsidised packs are only available to purchase during the planting season (October - March).

\*All species and prices are subject to change.

## TARGETING TREE DISEASE SUBSIDISED

Join the fight against tree disease. Renew your landscape, restore existing woodland and hedgerows and regenerate countryside that is threatened by disease. This pack is made up of large trees suited to growing on large plots of land.

**Trees:** 45  
**Species:** 8 mixes of native trees  
**Size of land:** 1/2 acre or as individual trees  
**Protection:** 1.2m tubes and stakes

**These packs are 50% funded to help you plant more trees.**

£101.<sup>25</sup>

£152

## SHELTERBELT SUBSIDISED

Create a shelterbelt 10m by 125m or a small copse with the 210 trees in this pack. They're great for sheltering livestock and crops and if you want to attract pollinators, we've got the right mix for that too. Our packs come in regional varieties and wherever possible we try to match tree provenance to each location.

**Trees:** 210  
**Species:** 4 mixes of native trees to choose from  
**Protection:** spirals and canes

**These packs are 60% funded to help you plant more trees.**

## PLANT FOR POLLINATORS

SUBSIDISED

This pack is specially designed to benefit bees and other pollinators, with species that flower at different times providing nectar, pollen and nesting sites. Helping you grow the perfect habitat for pollinators as well as providing a haven for other wildlife and cleaning our air and water. These packs are made up of 210 saplings which are all suited to growing on large plots of land.

**Trees:** 210  
**Species:** blackthorn, goat willow, crab apple, rowan, hazel and dog rose  
**Size of land:** 1/2 acre or as individual trees  
**Protection:** spirals and canes

**These packs are 60% funded to help you plant more trees.**

£152

## WILDLIFE

Just one oak tree supports a thousand other species so imagine how much difference you'll make planting all these trees! Establish food sources for woodland wildlife and create a living legacy for future generations with our wildlife pack.

**Trees:** 105  
**Species:** hawthorn, rowan, blackthorn, silver birch, hazel, common oak  
**Size of land:** 4 x tennis court

\* this pack can also be purchased as a larger 420 trees pack for £395.

from £105\*

## WILD HARVEST

Get fruity with our wild harvest pack. In a few years you'll be steeping sloe gin, setting crab apple jelly and sinking elderflower wine. Or try something a bit different with dog rose syrup and roasted hazelnut coffee.

**Trees:** 105  
**Species:** hazel, blackthorn, crab apple, dog rose, elder, rowan  
**Size of land:** 4 x tennis court

\* this pack can also be purchased as a larger 420 trees pack for £395

from £105\*

## WILD WOOD

Soak it up and cool off. These hardy native species can tolerate exposed sites and help dry up areas where water collects easily. Trees absorb water and their roots break up soil to help water penetrate the ground more deeply and slow surface water run-off.

**Trees:** 105  
**Species:** hazel, crab apple, downy birch, hawthorn, holly, goat willow  
**Size of land:** 4 x tennis court

\* this pack can also be purchased as a larger 420 trees pack for £395

from £105\*

from £105\*

## WORKING WOOD

Get your hands dirty. Plant our working wood pack and in 7-10 years you could be coppicing to fuel log burners. Or perhaps you could channel your creativity and learn to carve.

**Trees:** 105  
**Species:** rowan, silver birch, wild cherry, common oak, field maple, grey willow  
**Size of land:** 4 x tennis court

\* this pack can also be purchased as a larger 420 trees pack for £395

## YEAR ROUND COLOUR

Stay on trend with this season's colours. Enjoy beautiful blossom from April to May and bright berries from July to November. Watch the leaves change from vivid greens through golden hues into gorgeous russet tones.

**Trees:** 105  
**Species:** hawthorn, dogwood, wild cherry, silver birch, rowan, hazel  
**Size of land:** 4 x tennis court

\* this pack can also be purchased as a larger 420 trees pack for £395

from £105\*

# Buy SMALL TREE PACKS AND SINGLE TREES

Order on our online shop  
[shop.woodlandtrust.org.uk/trees](https://shop.woodlandtrust.org.uk/trees)

Sometimes you only have space for a little one, that's why we've included a selection of smaller tree packs and single trees. Whether planting in your garden, in-filling a hedge or creating a spot of shade, take a look at [shop.woodlandtrust.org.uk/trees](https://shop.woodlandtrust.org.uk/trees).

Our subsidised packs are only available to purchase during the planting season (October – March).

\*All species and prices are subject to change.

## COPSE

Create a piece of paradise with this copse pack. Plant a mini forest school classroom or a peaceful spot that's an oasis for birds.

**Trees:** 30

**Species:** silver birch, rowan, wild cherry

**Size of land:** tennis court

£49.<sup>95</sup>

## HEDGE

Welcome the wildlife. Mammals, insects and birds all love the shrubs in this hedge pack. Plant these trees to make a natural screen or use them to connect existing woodland, helping hedgehogs and dormice stay on the move. 30 trees makes eight metres of full, easy to manage hedgerow.

**Trees:** 30

**Species:** dog rose, hawthorn, hazel, crab apple, dogwood

**Size of land:** tennis court

£49.<sup>95</sup>

## URBAN TREES SUBSIDISED

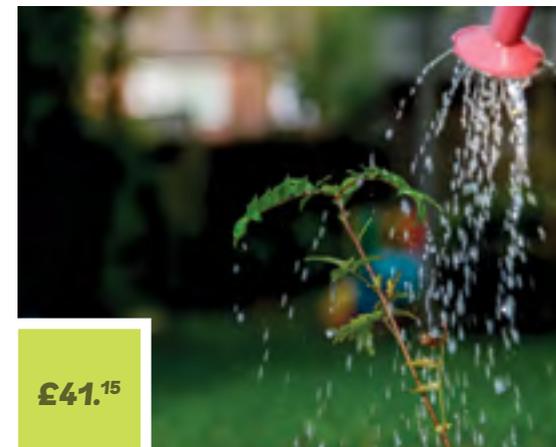

Bring a bit of the countryside into your town. Our urban tree pack is perfect for planting in front gardens and residential areas to green up your bit of the city. The trees are small and easy to manage – great for smaller areas!

**Trees:** 15

**Species:** 4 mixes of native trees to choose from

**Size of land:** 1/2 a tennis court

**These packs are 35% funded to help you plant more trees.**

£41.<sup>15</sup>

## Looking for something even smaller?

Try one of our mixes of 4-15 trees, perfect for gardens and compact plots of land. Visit our online shop at [shop.woodlandtrust.org.uk/trees](http://shop.woodlandtrust.org.uk/trees).

£12.<sup>95</sup>

### BEE FRIENDLY GARDEN MIX

**Trees:** 4  
**Species:** goat willow, hazel, crab apple, rowan

£12.<sup>95</sup>

### FRUIT AND NUT MIX

**Trees:** 4  
**Species:** blackthorn, crab apple, hazel, wild cherry

£12.<sup>95</sup>

### GARDEN MIX

**Trees:** 4  
**Species:** field maple, rowan, silver birch, wild cherry

£12.<sup>95</sup>

### SCOTTISH MIX

**Trees:** 4  
**Species:** rowan, holly, silver birch, wild cherry

£35.<sup>95</sup>

### TRADITIONAL HEDGE MIX

**Trees:** 15  
**Species:** hawthorn, blackthorn, dog rose, field maple

## Single trees

£6.<sup>95</sup> each

Choose from a wide selection of single trees at [shop.woodlandtrust.org.uk/trees](http://shop.woodlandtrust.org.uk/trees)

### Alder

This tree improves the fertility of the soil where it grows.

### Blackthorn

Make your own sloe gin with the fruit of the blackthorn.

### Common beech

A fast-growing, attractive tree - even in poor soil.

### Common osier

A fast grower, ideal for beds and borders.

### Crab apple

Jellies and jams can be made with the fruit of this tree.

### Dog rose

Beautiful pink flowers followed by orange-red hips.

### Dogwood

Crimson stems and red autumn leaves bring colour all year.

### Downy birch

The leaves of this species turn a stunning gold come autumn.

### Elder

Create cordial and wine with elder flowers and fruit.

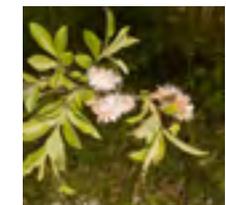

### English oak

Also known as common oak. Just one oak can support more than 1,000 other species.

### Field maple

Attract all manner of wildlife with this colourful species.

### Goat willow

Provides food and shelter for butterflies, bees and more.

## Single trees

£6.<sup>95</sup> each

### Hawthorn

Grows in almost any soil and can support over 300 other species.

### Hazel

Great for coppicing, hazel trees brim with life.

### Holly

Bright red berries add a welcome splash of winter colour.

### Hornbeam

A hardy species that can survive in almost any weather.

### Juniper

Juniper berries are a popular addition to gin, liqueurs and sauces.

### Rowan

Legend has it that these trees protect against evil spirits.

### Sessile oak

Bugs and butterflies, birds and bats - all rely on the oak.

### Silver birch

Watch its leaves change from vibrant green to striking gold.

### Wayfaring

Pretty white flowers enhance any hedge or border.

### Wild cherry

Deep red cherries and beautiful blossom abound.

### Yew

A hardy evergreen that can live for thousands of years.

## Rowan berries

FREE

# TREE PACKS FOR SCHOOLS AND COMMUNITY GROUPS

We've got thousands of free tree packs to give away.

We want to make sure that everybody in the UK has the chance to plant a tree. So we're giving away hundreds of thousands of trees to schools and communities who want to plant on publicly accessible land.

Funding from DEFRA means we can also give away a further 100,000 trees a year to eligible schools until 2020. Remember, the first pack you order and plant as a school will earn you two points on the Green Tree Schools Award!

Choose your pack from the list and fill out our online application form.

If you're successful, we'll send your pack out in either November or March, when the trees are dormant and perfect for planting.

Before you start you'll need to:

- know the grid reference of the land you wish to plant
- have permission from the legal landowner

Please note, species may vary from those advertised depending on availability.

Our packs are generously funded by lead partners:

Department for Environment Food & Rural Affairs

## HEDGE

Make a natural screen or connect existing woodland to help wildlife stay on the move. You will get a variety of each species for 8 metres of full, easy to manage hedging. For a longer length our Wild Harvest, Year Round Colour, Wildlife, and Wild Wood packs also make great hedgerows and are available with 105 or 420 saplings.

**Trees:** 30

**Species:** dog rose, hawthorn, hazel, crab apple, dogwood

**Size of land:** 6-8 metres of double-row hedging

**Protection:** spirals and canes

FREE

## COPSE

Plant a mini forest school classroom or a peaceful spot that's an oasis for birds. You will get 10 of each species for a small, tranquil copse.

**Trees:** 30

**Species:** silver birch, rowan, wild cherry

**Size of land:** tennis court

**Protection:** spirals and canes

FREE

## WILD HARVEST

Grow an array of fruits and nuts to produce your own jams, jellies, wines and more.

**Trees:** 105 or 420

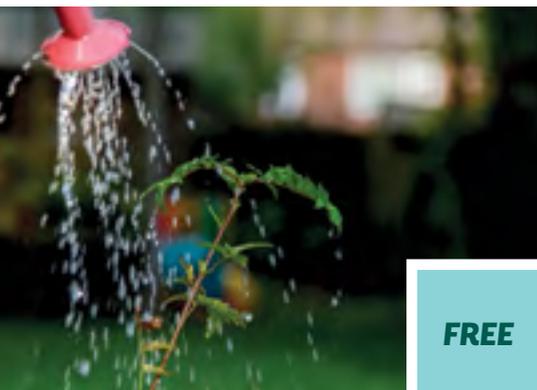

**Species:** hazel, blackthorn, crab apple, dog rose, elder, rowan

**Size of land:** 105 saplings = 4 x tennis court or 20-25 metres double-row hedging; 420 saplings = 1 x football pitch or 85-100 meters double-row hedging

**Protection:** spirals and canes

FREE

**FREE**

## URBAN TREES

Easy to manage, this pack is designed for residential areas with limited communal space. If no shared space is available, applications to split between neighbouring front gardens to green up your street are considered. Tree packs for private use can be found in our shop.

**Trees:** 15 – a mix of three native species chosen to thrive in urban environments  
**Species:** crab apple, rowan, hazel  
**Protection:** spirals and canes

**FREE**

## WILD WOOD

These hardy native species can tolerate exposed sites and help dry up wet areas.

**Trees:** 105 or 420  
**Species:** hazel, crab apple, downy birch, hawthorn, holly, goat willow  
**Size of land:** 105 saplings = 4 x tennis court or 20-25 metres double-row hedging; 420 saplings = 1 x football pitch or 85-100 metres double-row hedging  
**Protection:** spirals and canes

## WILDLIFE

Establish food and shelter for wildlife and create a living legacy for future generations.

**Trees:** 105 or 420  
**Species:** hawthorn, rowan, blackthorn, silver birch, hazel, common oak  
**Size of land:** 105 saplings = 4 x tennis court or 20-25 metres double-row hedging; 420 saplings = 1 x football pitch or 85-100 metres double-row hedging  
**Protection:** spirals and canes

**FREE**

## YEAR ROUND COLOUR

Enjoy beautiful blossoms, bright berries and stunning autumn displays.

**Trees:** 105 or 420  
**Species:** hawthorn, dogwood, wild cherry, silver birch, rowan, hazel  
**Size of land:** 105 saplings = 4 x tennis court or 20-25 metres double-row hedging; 420 saplings = 1 x football pitch or 85-100 metres double-row hedging  
**Protection:** spirals and canes

**FREE**

**FREE**

## WORKING WOOD

Fuel a log burner in 7-10 years, or channel your creativity and learn to carve or weave willow.

**Trees:** 105 or 420  
**Species:** rowan, silver birch, wild cherry, common oak, field maple, grey willow  
**Size of land:** 105 saplings = 4 x tennis court; 420 saplings = 1 x football pitch  
**Protection:** spirals and canes

## How to apply for a free tree pack

Go to [woodlandtrust.org.uk/freetrees](http://woodlandtrust.org.uk/freetrees) to apply for your tree pack.

If you are not eligible for the scheme you can buy one of our packs instead (see our range on page 8).

If you are a school, check out the school resources at [treetoolsforschools.org.uk](http://treetoolsforschools.org.uk) while you wait for your pack to arrive.

## Community tree planting at Leviathan Wood

### Want to chat?

Get in touch with our woodland creation team for help and advice with your planting project. Pick up the phone, or ask us a question using our online enquiry form and we'll help you choose your tree pack or share our expert advice.

### Our volunteers may be able to help...

Your planting project may be supported by one of our woodland creation champions. This valuable network of volunteers help us to give advice on a wide range of queries including site design, tree planting and aftercare. We may be able to put you in touch with someone in your local area, or offer telephone advice where this is not possible.
